

October 20, 2023

Number of Head: 1651

There were 221 cows and 27 bulls. Top packer bull was at \$129/cwt, while tops on packer cows was at \$95.00/cwt. Surprisingly strong market for this time of the year, despite culling going on across the country.

The calf market was extremely even with last week, varying less than \$10/head with this week being \$9.30/head higher and more weight. A very solid market with continued strong demand.
