

February 10, 2023

Number of Head: 1,138

There were 160 cows and 16 bulls. Tops on packer cows was up \$10 from last week, while the top bull was unchanged at \$115/cwt. Demand remains very strong as the seasonal demand is high and numbers are low.

The calf market was much stronger across the board by over \$12/cwt and over \$27/head. The demand continued to be incredibly strong. It was a great day to be a seller!
