PRAY FOR RAIN!!

There were 294 cows and 25 bulls. It was another solid market on cows and bulls, with both a little higher on tops. Dry conditions continue to force more to market. Top packer bull was at \$130/cwt, while the top on packer cows was at \$110.00/cwt.

The calf market was mixed today with calves under 450 pounds showing some weakness, while heavier weights registered new highs. Overall, the market was very strong and demand remains high.
