Number of Head: 1499

There were 168 cows and 25 bulls. The packer market on cows and bulls remains strong but sold a touch cheaper this week. The calf market was much improved from last week. Calves on average were 84 lbs. lighter but brought \$37.50 more than last week.

We genuinely appreciate all our sellers and buyers. We look forward to the familiar faces and the new ones we meet each week. Please continue to pray for rain!
