Number of Head: 1636

There were 140 cows, 41 bulls and 2 sheep. The packer market on cows and bulls was steady once again and demand is still strong. The calf market was higher this week. Calf average price was up \$21.34 from the previous week on 20 lbs less weight. Rainfall in wheat and oat country has buyer interest strong in all classes.

We genuinely appreciate all our sellers and buyers. Please continue to pray for rain in our area.
