

**December 20, 2024**

Number of Head: 1455

There were 214 cows and 20 bulls. The packer cow and bull market was stronger across the board. All top-quality calves sold \$5-\$20 higher per pound. The market was actively high, and the demand is steadfast.

This was the final sale of 2024. We will pick back up on January 10, 2025. We wholeheartedly appreciate your support and wish each of you a blessed holiday season.
