

January 17, 2025

Number of Head: 1826

There were 222 cows, 26 bulls and 7 horses sold. The packer cow and bull market remain in strong demand consistent with last week with bulls \$6/cwt higher.

The demand for feeder calves continues to reach new all-time highs each week in the averages/average highs categories. We set another all-time high for Cuero Livestock with the average cost per calf at \$1456.13 with an average weight of 594 lbs. This market is incredible!

PLEASE NOTE: Some cattle auctions in the area and across the state are not having a sale this upcoming week due to the severe cold weather. **WE WILL HAVE A SALE ON FRIDAY, 1/24/2025** as we get back to normal temperatures.

We will host the 40th Annual DeWitt County All Breeds Bull and Female Sale on January 25, 2025. Please see our Facebook page for pictures and videos very soon.
