

June 19, 2026

Demand remained exceptionally strong this week as we handled a total of 863 head (including 74 cows, 21 bulls, and 1 goat). While packer cows and bulls traded steady to \$3 lower than last week, the calf market delivered a record-setting performance. Thanks to outstanding demand, some classes surged by as much as \$20/cwt.

Next weaned calf sale is August 5, 2026
