

July 10, 2026

This week, we handled a total of **1,322** head, including 177 cows, 26 bulls, and 10 sheep/goats. Packer cows and bulls held steady compared to the last sale. While we saw a slight pullback in prices for lighter-weight calves, heavier cattle gained ground. Overall, the market remains outstanding with strong, continued demand.

Next weaned calf sale is August 5, 2026
